Report on the Financial Statements

We have audited the accompanying financial statements of United Way of Lee County, Inc., which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financials statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors United Way of Lee County, Inc.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Lee County, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The allocations to agencies is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is also presented for purposes of additional analysis and is not a required part of the basic financial statements. The allocations to agencies and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of United Way of Lee County, Inc.'s internal controls over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of Lee County, Inc.'s internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

United Way of Lee County, Inc. (the Organization) is the designated United Way fundraising organization for Lee, Hendry, Glades, and Okeechobee Counties, Florida. The Organization provides funding for member agencies based upon a yearly allocation amount.

Basis of Preparation

The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

Net Asset Classifications

Resources for various purposes are classified for accounting and financial reporting purposes into net asset categories established according to their nature and purpose as follows:

Without Donor Restrictions – Net assets not subject to donor-imposed restrictions. Such assets are available for any purpose consistent with the Organization's mission.

Net Assets with Donor Restriction – Time Restricted for Future Periods – Net assets subject to specific, donor-imposed restrictions that must be met by actions of the Organization and/or the passage of time. Such assets normally fund specific expenditures of an operating or capital nature.

Net Assets with Donor Restriction Into Perpetuity – Net assets subject to donor-imposed restriction requiring they be maintained permanently by the Organization. Such assets are normally restricted to long-term investment with income earned and appreciation available for specific or general Organization purposes. The Organization does not have any such net assets as of December 31, 2020 and 2019.

Annual Campaign

United Way receives the majority of its funding resources by conducting an annual campaign among businesses and individuals residing in Lee, Hendry, Glades, and Okeechobee Counties, Florida. Funds raised that are not specifically designated to qualified agencies are allocated to community programs and services based on assessed needs, as determined primarily by volunteer committees.

An annual campaign is conducted from the latter part of the year into the first few months of the subsequent year. The amounts raised are used to fund the agency allocations in the subsequent year.

The annual campaign contributions and pledges received or receivable as of December 31 are recorded as net assets with donor restrictions and are transferred to net assets without donor restrictions in the year of the allocation to participating agencies.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donor Designations

Donors to the campaign may designate all or part of their contributions to specific unaffiliated agencies. Accordingly, any amounts designated to unaffiliated agencies are not included as agency allocations and are recorded as a deduction from campaign contributions and gross allocations on the statements of activities. The amount of donor designations to specific unaffiliated agencies that remain unpaid at year-end is included in the statements of financial position as Donor Designations Payable.

Liquidity

Assets are presented in the accompanying statements of financial position according to the nearness of conversion to cash, and liabilities according to the nearness of their maturities and resulting use of cash.

Cash Balances and Cash Equivalents

The Organization considers all cash accounts subject to immediate withdrawal to be cash equivalents. The Organization may have bank deposits in excess of federally insured limits.

Pledges Receivable

Pledges receivable that are expected to be collected within one year are recorded at their net realizable value. Based on prior experience, the Organization expects that certain pledges receivable will be uncollectible. Using this experience, the Organization has computed a percentage of total pledges receivable to estimate their allowance for uncollectibles. It is reasonably possible that the estimate of uncollectible pledges will change in the coming year.

Board-Designated Endowment

The Organization's investments in the board-designated endowment consist principally of publicly traded debt and equity securities. These investments are reported at fair value. Investment income or loss, which includes gains and losses on investments, interest and dividends, is included in the statements of activities as an increase or decrease in net assets without donor restrictions unless their income or loss is restricted, in which case it is reflected as an increase or decrease in restricted net assets.

Land, Building, and Equipment

Land, building, and equipment are stated at cost. Depreciation is computed using the straight-line method over periods approximating the useful life of the assets.

Donated Assets

Donated assets are reflected as in-kind contributions at their estimated values at the date of receipt. No amounts have been reflected in the financial statements for donated services. A substantial number of volunteers donated significant amounts of their time in the Organization's fundraising campaign and funds allocation process. The value of the donated assets in excess of in-kind distributions is reflected as inventory in the statement of financial position. In-kind contributions totaled \$5,191,412 and \$3,174,323 for the years ended December 31, 2020 and 2019, respectively.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is designated as a 501(c)(3) charitable organization by the Internal Revenue Service and is exempt from federal and state income taxes. The Organization follows the income tax standard for uncertain tax positions. The Organization has evaluated its tax positions and determined it has no uncertain tax positions as of December 31, 2020 and 2019.

Beneficial Interests in Designated Endowment Assets Held by Others

Beneficial Interests in Assets Held by Others are recorded at fair value. Interest income and market value change earned on the beneficial interest is recorded in the Organization's statements of activities.

Fair Value Measurement

The Organization follows the disclosure requirements for fair value measurements as required by generally accepted accounting principles. These requirements define fair value, establish a framework for measuring fair value, establish a fair value hierarchy based on the quality of inputs used to measure fair value, and require expanded disclosures about fair value measurements.

Financial assets and liabilities recorded on the statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities are valued using inputs that are unadjusted quoted prices in active markets accessible at the measurement date of identical financial assets and liabilities. The inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. treasury and other U.S. government and agency mortgage-backed securities that are traded by dealers or brokers in active overthe-counter markets.

Level 2 – Financial assets and liabilities are valued using inputs such as quoted prices for similar assets, or inputs that are observable, either directly or indirectly for substantially the full term through corroboration with observable market data. Level 2 includes private collateralized mortgage obligations, municipal bonds, and corporate debt securities.

Level 3 – Financial assets and liabilities are valued using pricing inputs which are unobservable for the asset and inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset. Level 3 includes private equity, venture capital, hedge funds, and real estate.

Subsequent to initial recognition, the Organization may remeasure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement (Continued)

Professional standards allow entities the irrevocable option to elect to measure certain financial instruments and other items at fair value for the initial and subsequent measurement on an instrument-by-instrument basis. The Organization adopted the policy to value certain financial instruments at fair value. The Organization has not elected to measure any new financial instruments at fair value.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates based on management's knowledge and experience. Due to their prospective nature, actual results could differ from those estimates.

Grants

A portion of the Organization's revenue is derived from cost reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. As of December 31, 2020, the Organization did not have any conditional grants that have not been recognized as revenue in the statement of activities because conditions have not been met.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 11, 2022, the date the financial statements were available to be issued.

NOTE 2 BENEFICIAL INTEREST IN DESIGNATED ENDOWMENT ASSETS HELD BY OTHERS

During 1995 and 2001, the Organization transferred funds to the Southwest Florida Community Foundation for investment purposes. The Southwest Florida Community Foundation holds variance power over the funds and is holding the funds for the benefit of the Organization. Future benefits of these funds remain on the books of the Organization as the funds were originally donated to the Organization. The amounts are recorded at fair market value. The balance at December 31, 2020 and 2019 was \$113,264 and \$103,677, respectively.

NOTE 3 BOARD-DESIGNATED ENDOWMENT (INVESTMENTS)

NOTE 9 BOARD-DESIGNATED ENDOWMENT

As of December 31, 2020 and 2019, the board had designated \$2,757,223 and \$2,535,007, respectively, of net assets without donor restrictions as a general endowment to support the mission of the Organization.

As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization has no donor-restricted endowment.

The Organization classifies as board-designated endowment net assets (a) the original value of gifts designated by the board as endowment, (b) the original value of subsequent gifts to the board-designated endowment, and (c) accumulated investment earnings and/or losses to the board-designated endowment in accordance with board designations.

In deciding on the proper treatment of the endowed funds, the Organization considered the following factors in making a determination to appropriate or accumulate endowment funds:

- (1) The purposes of the Organization;
- (2) The long-term and short-term needs of the Organization in carrying out its purposes;
- (3) The general economic conditions:
- (4) The possible effect of inflation or deflation;
- (5) The other resources of the Organization; and
- (6) Perpetuation of the endowment.

The following is a summary of the Organization's endowment fund activity and investments for the years ended December 31:

Investment Objectives and Strategies

The Organization has adopted an investment policy to provide guidelines for investing endowment assets. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner to maximize return within reasonable and prudent levels of risk, and with proper monitoring and assessment of associated costs; follow an investment policy based on total return, not yield; realize sufficient total return to help support a broad level of programs and services; and provide seed money for new ventures. To achieve these objectives, the Organization follows an asset diversification plan, sets performance benchmarks for investments managers, and has established various asset quality and limitations thresholds.

Distribution Policy

The Organization has adopted a spending policy to provide guidelines for distributing funds from the Endowment Fund. Under this policy, as approved by the board of directors, the funds available for distribution during any one year will be limited to a percentage of the market value of the Fund's balance that is based on a three-year annual average.

The market value for this purpose will be determined net of the fees for investment and account management. Additionally, any unexpended funds from those available for distribution in a given year will be accrued and will continue to be considered available for distribution in subsequent years unless otherwise designated by actions of the finance committee with approval of the board of directors. Annually, the board of directors may approve the transfer of an amount up to 5% of the three-year average balance of the Fund, as calculated to the campaign.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors United Way of Lee County, Inc. Fort Myers, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Lee County, Inc., which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 11, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Way of Lee County, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of Lee County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of United Way of Lee County, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors United Way of Lee County, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether United Way of Lee County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors United Way of Lee County, Inc. Fort Myers, Florida

Report on Compliance for Each Major Federal Program

We have audited United Way of Lee County, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Circular Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2020. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility for the Financial Statements

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for major federal programs. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

Board of Directors United Way of Lee County, Inc.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses or significant deficiencies. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Example Entity under programs of the federal government for the year ended December 31, 2020. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). The Organization has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.
