Your United Way

United Way is **your United Way**...here to help your children, your co-workers, your parents, your neighbors and you!

When you invest in your community through United Way, you do more than you could do alone. Your contribution is combined with others, magnifying and multiplying the power of your gift. There is no single gift that provides as many health and human services, right here in our community, as your gift to our United Way. **One gift helps 27 agencies and over 60 programs in Hendry and Glades Counties.**

Effective

Your United Way changes lives for the better. When you invest in United Way, you help people in need. You help make families stronger. You feed the hungry. You help children grow and develop to their full potential. You're there when a man, woman, or child needs a safe haven from domestic violence. You help people get the skills they need to be independent.

Local

When you give to your United Way, all of the money donated in each county stays in that county. If you are a Hendry or Glades County resident, your gift will stay in Hendry and Glades Counties to meet the needs of your community, making your community a better place to live and work.

Accountable

The United Way Allocations process utilizes 40 community leaders who review every United Way supported agency and program to ensure that your gift is being spent efficiently and effectively.

Efficient

Your United Way prides itself on low overhead costs. **100% of all money raised in Hendry and Glades goes directly to programs and initiatives in Hendry and Glades.** Your United Way is a **4-star charity on Charity Navigator.**
